We've opened our file cabinets and pulled out our files on every activity that happened this year. We call our briefing agents "Faculty", and our top agents are known as "Seniors." Our organizations (CIA, FBI & KGB) are known under cover titles (DECA, FBLA, Science Club, etc.), and everyone works undercover in their everyday life. We had our annual agent get-together, known as the prom, and we protected two Queens. On the next page is our story.

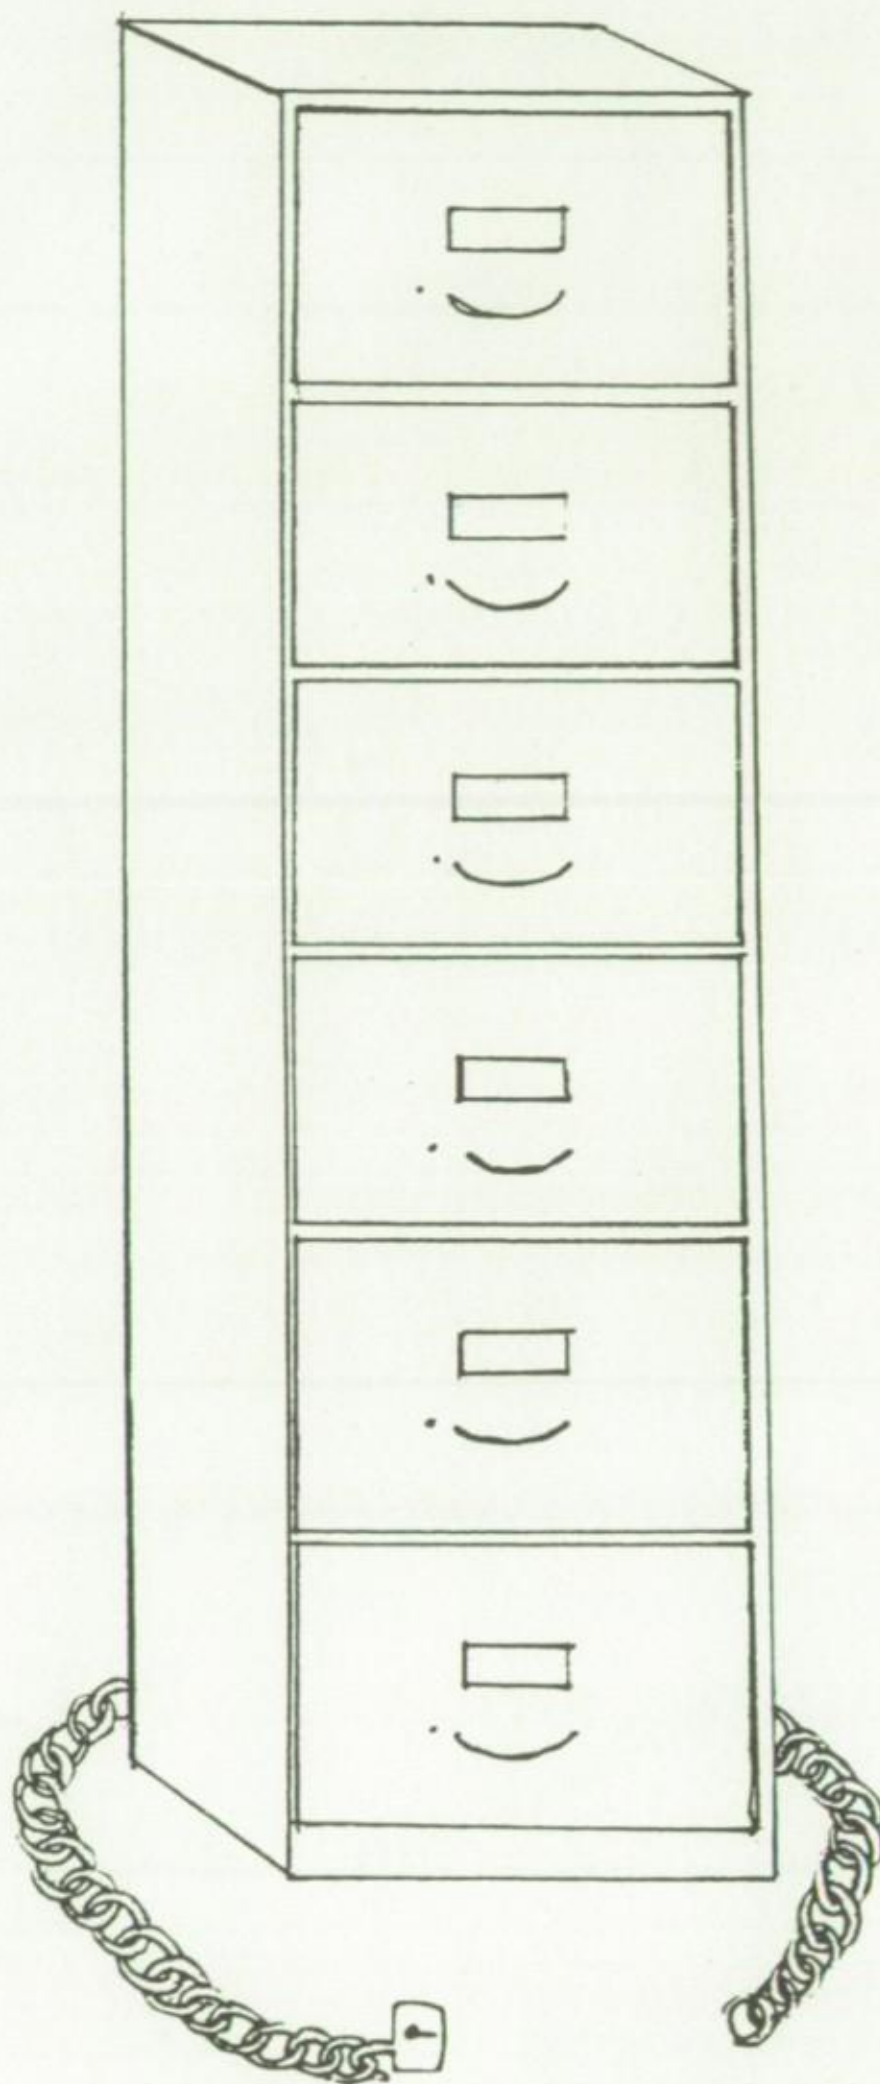

We come in as sophomores, just like rookies from the academy. We've trained for nine years, but now is when the training really gets tough. Now is when the grades really count. If we want to work on sub-project "extra-curricular activities" we have to meet the quota. We have to catch the crooks in seven different gangs, interrogate them, and then follow the clues, hoping they'll lead us to the enemy agents known as "C-average", "B-average", and the hardest to catch: "A-average".

But this isn't our final assignment. Some of us will go on assignment directly from this project, but others are going on to other training centers. Whatever happens, we intend to behave like true secret agents. Stealing kisses in the stairwell; hiding in the bathrooms; hoping to escape detection by sitting on the back row.

All this and more, that's what being a secret agent on top-secret "Cavalier" is all about.

Foreign Exchange Students

Greenbrier West served as host for two foreign exchange programs during the 1985-86 school year. Heli Savela, from Finland, was sponsored by the Rotary International Student Exchange Program and Enrique Monasterio, from Spain, was sponsored by the American Intercultural Student Exchange Program. Heli and Enrique added many pleasant memories to our school. Our only hope is that they enjoyed being here and sharing a year of their lives with us as much as we enjoyed their being here and sharing with them.

FEATURES AND EVENTS

1985 VICTORY QUEEN

During the half-time ceremonies of the West and Nicholas County football game on October 25, Jeanne Barnett was crowned Victory Queen for the 1985-86 school year. The title of Victory Queen is symbolic of all athletic victories during the school year. The 1984 Victory Queen, Theresa Fugate, crowned Jeanne as the new queen during the ceremony. The campaign for Victory Queen began with the selection of three girls from each homeroom. After one week, the girls who turned in money continued to compete for the title of Victory Queen. The following week the girls were eliminated to six finalists. Following two weeks of campaigning and collecting money, the girls awaited nervously to hear the final results. The results were: fifth runner-up: Tracie Bowles, escorted by Max Stone; fourth runner-up: Melanie Sharp, escorted by James Dennison; third runner-up: Jacqueline Scott, escorted by Enrique Monasterio; second runner-up: Joanna Adams, escorted by Thomas Minturn; first runner-up: Cynthia Sevy, escorted by Timothy Lively; and Queen Jeanne Barnett, escorted by James McKenzie. Jeanne received a bracelet and a Cavalier jacket, Cindy, Joanna, and Jackie received a lifetime pass to all athletic activities at Greenbrier West. Tracie and Melanie received one year passes. The runners-up also received \$30.00 for either themselves or as payment on a Cavalier jacket.

1985 Homecoming

Greenbrier West High School celebrated its eighteenth annual Homecoming ceremony, October 11, 1985. In only moments the 1985 Homecoming Queen would be crowned. The attendants waited patiently for their places on the field. The suspense rose, and at last, Miss Tammy Montgomery was given the honor of Homecoming queen. She was crowned by last year's queen, Shelly Meadows. Tammy was escorted by Tony DuFault. The homecoming queen is elected by popular vote of the student body. Senior attendants to the queen were Cheryl Capaldo, escorted by Tim Lively, and Stephanie Willey, escorted by Pat Warden. The Junior class was represented by Mary Warden, who was escorted by Mike Wooddell, and Ronda Alderson, whose escort was Ray Foley. Representing the Sophomore class were Gail Dixon, escorted by David Canaan, and Risa Hutsenpiller, escorted by Robbie Hunter. The queen and her court were honored with a dance following the game.

Theatre West
Presents

RAGGEDY ANN and ANDY

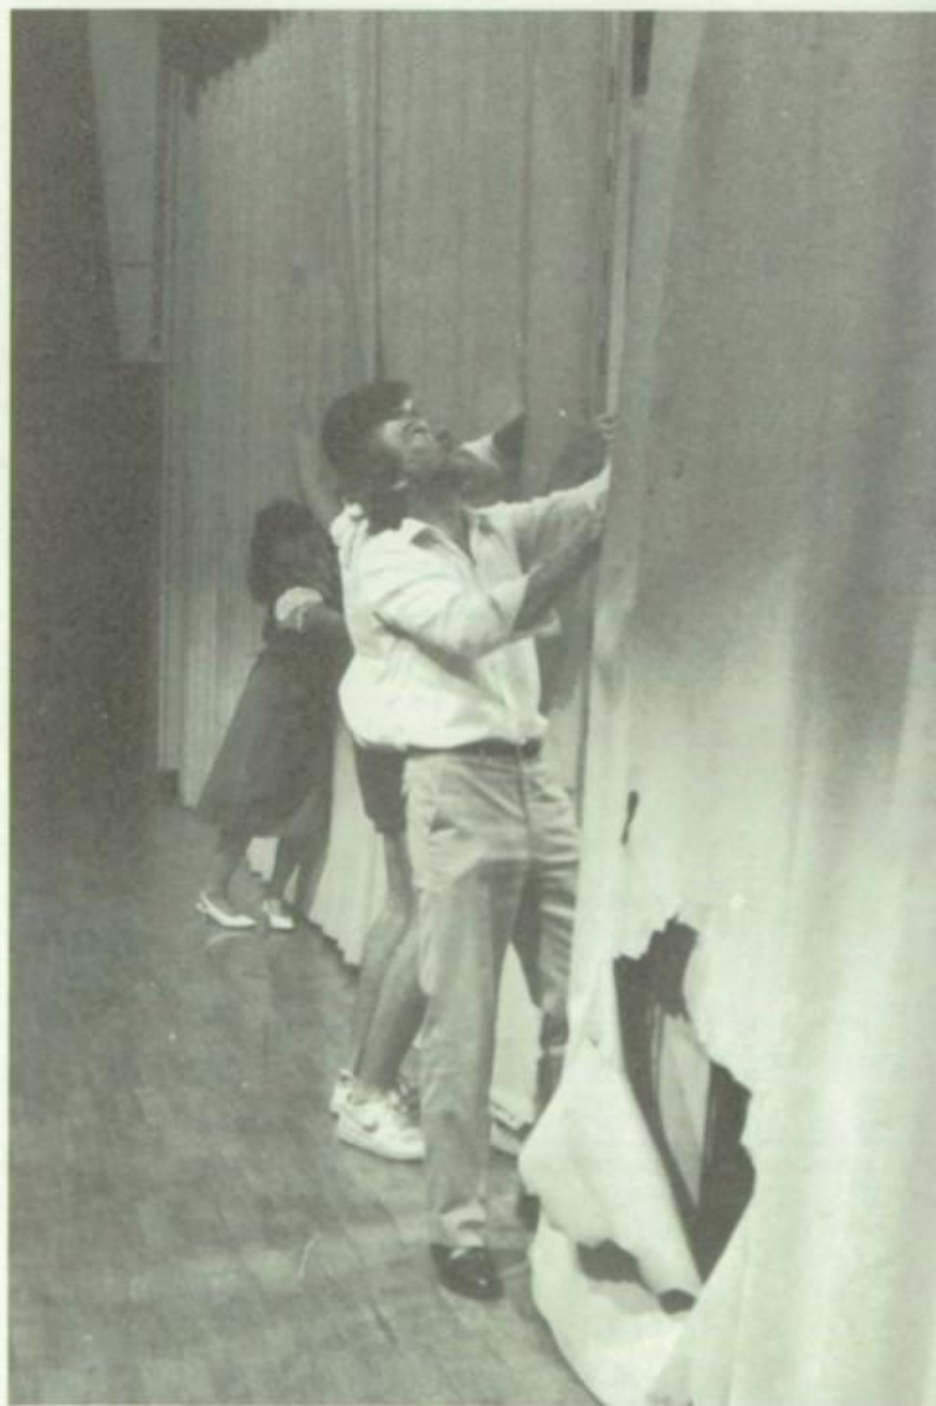

Toys came to life and dreams came true on the stage of RAGGEDY ANN and ANDY, the children's play that was presented this fall by Theatre West. Three performances were given at West and two were given for Greenbrier East with the proceeds from the East performances going to the Red Cross for flood relief. The play opened with a newcomer arriving in the playroom, a fancy French doll named Babette. Babette stays up and brushes her hair by the window where she is kidnapped by Prince Leonard the Looneyhearted to be his bride. Raggedy Ann and Andy decide to try and get her back. On the way to Looneyland they meet a blue camel, a witch, and a greedybag, but they get there just in time to stop the wedding. Suddenly Witch Wigglewort becomes Lucretia Looney, Prince Leonard's long-lost love. The Raggedys, Babette and the Camel become heroes, and get home just before Marcella the dolls' owner, comes in. The cast included: Raggedy Ann - Gwyn Brenneman; Raggedy Andy - Mike Wallace; Suzy Pincushion - Kelli Poff; Grandpa - Brenda McClung; Babette - Terri Rice; Twin Baby Dolls - Tonya Sears and Tina Altizer; Mechanico - Neal Harmon; Bruin Bear - Jocie McGrew; Camel with the wrinkled knees - Paula Blankenship; Witch Wigglewort - Nickie Holland; Greedybag - Lisa Cook, Jennifer Scofield, Becky Weed, and Charli Allen (voice); Trees - Heli Savela, Kim Costa, and Robbie Hunter; Mushrooms - Cheryl Capaldo, and Lori Chapman; Prince Leonard - Shannon Wallace; Lester - Tim Lively; Page - Laura Diggs; King Koo-Koo - Jeff O'Dell; Bald headed Whizzer - Janice Mullins; Lucretia - Ronda Alderson; Pie Tester - Tracie Bowles; Directed by Daniel Boone; Lights, sound effects, and make-up - Carla Ramsey, Kelly Crawford, and Anna Blankenship.

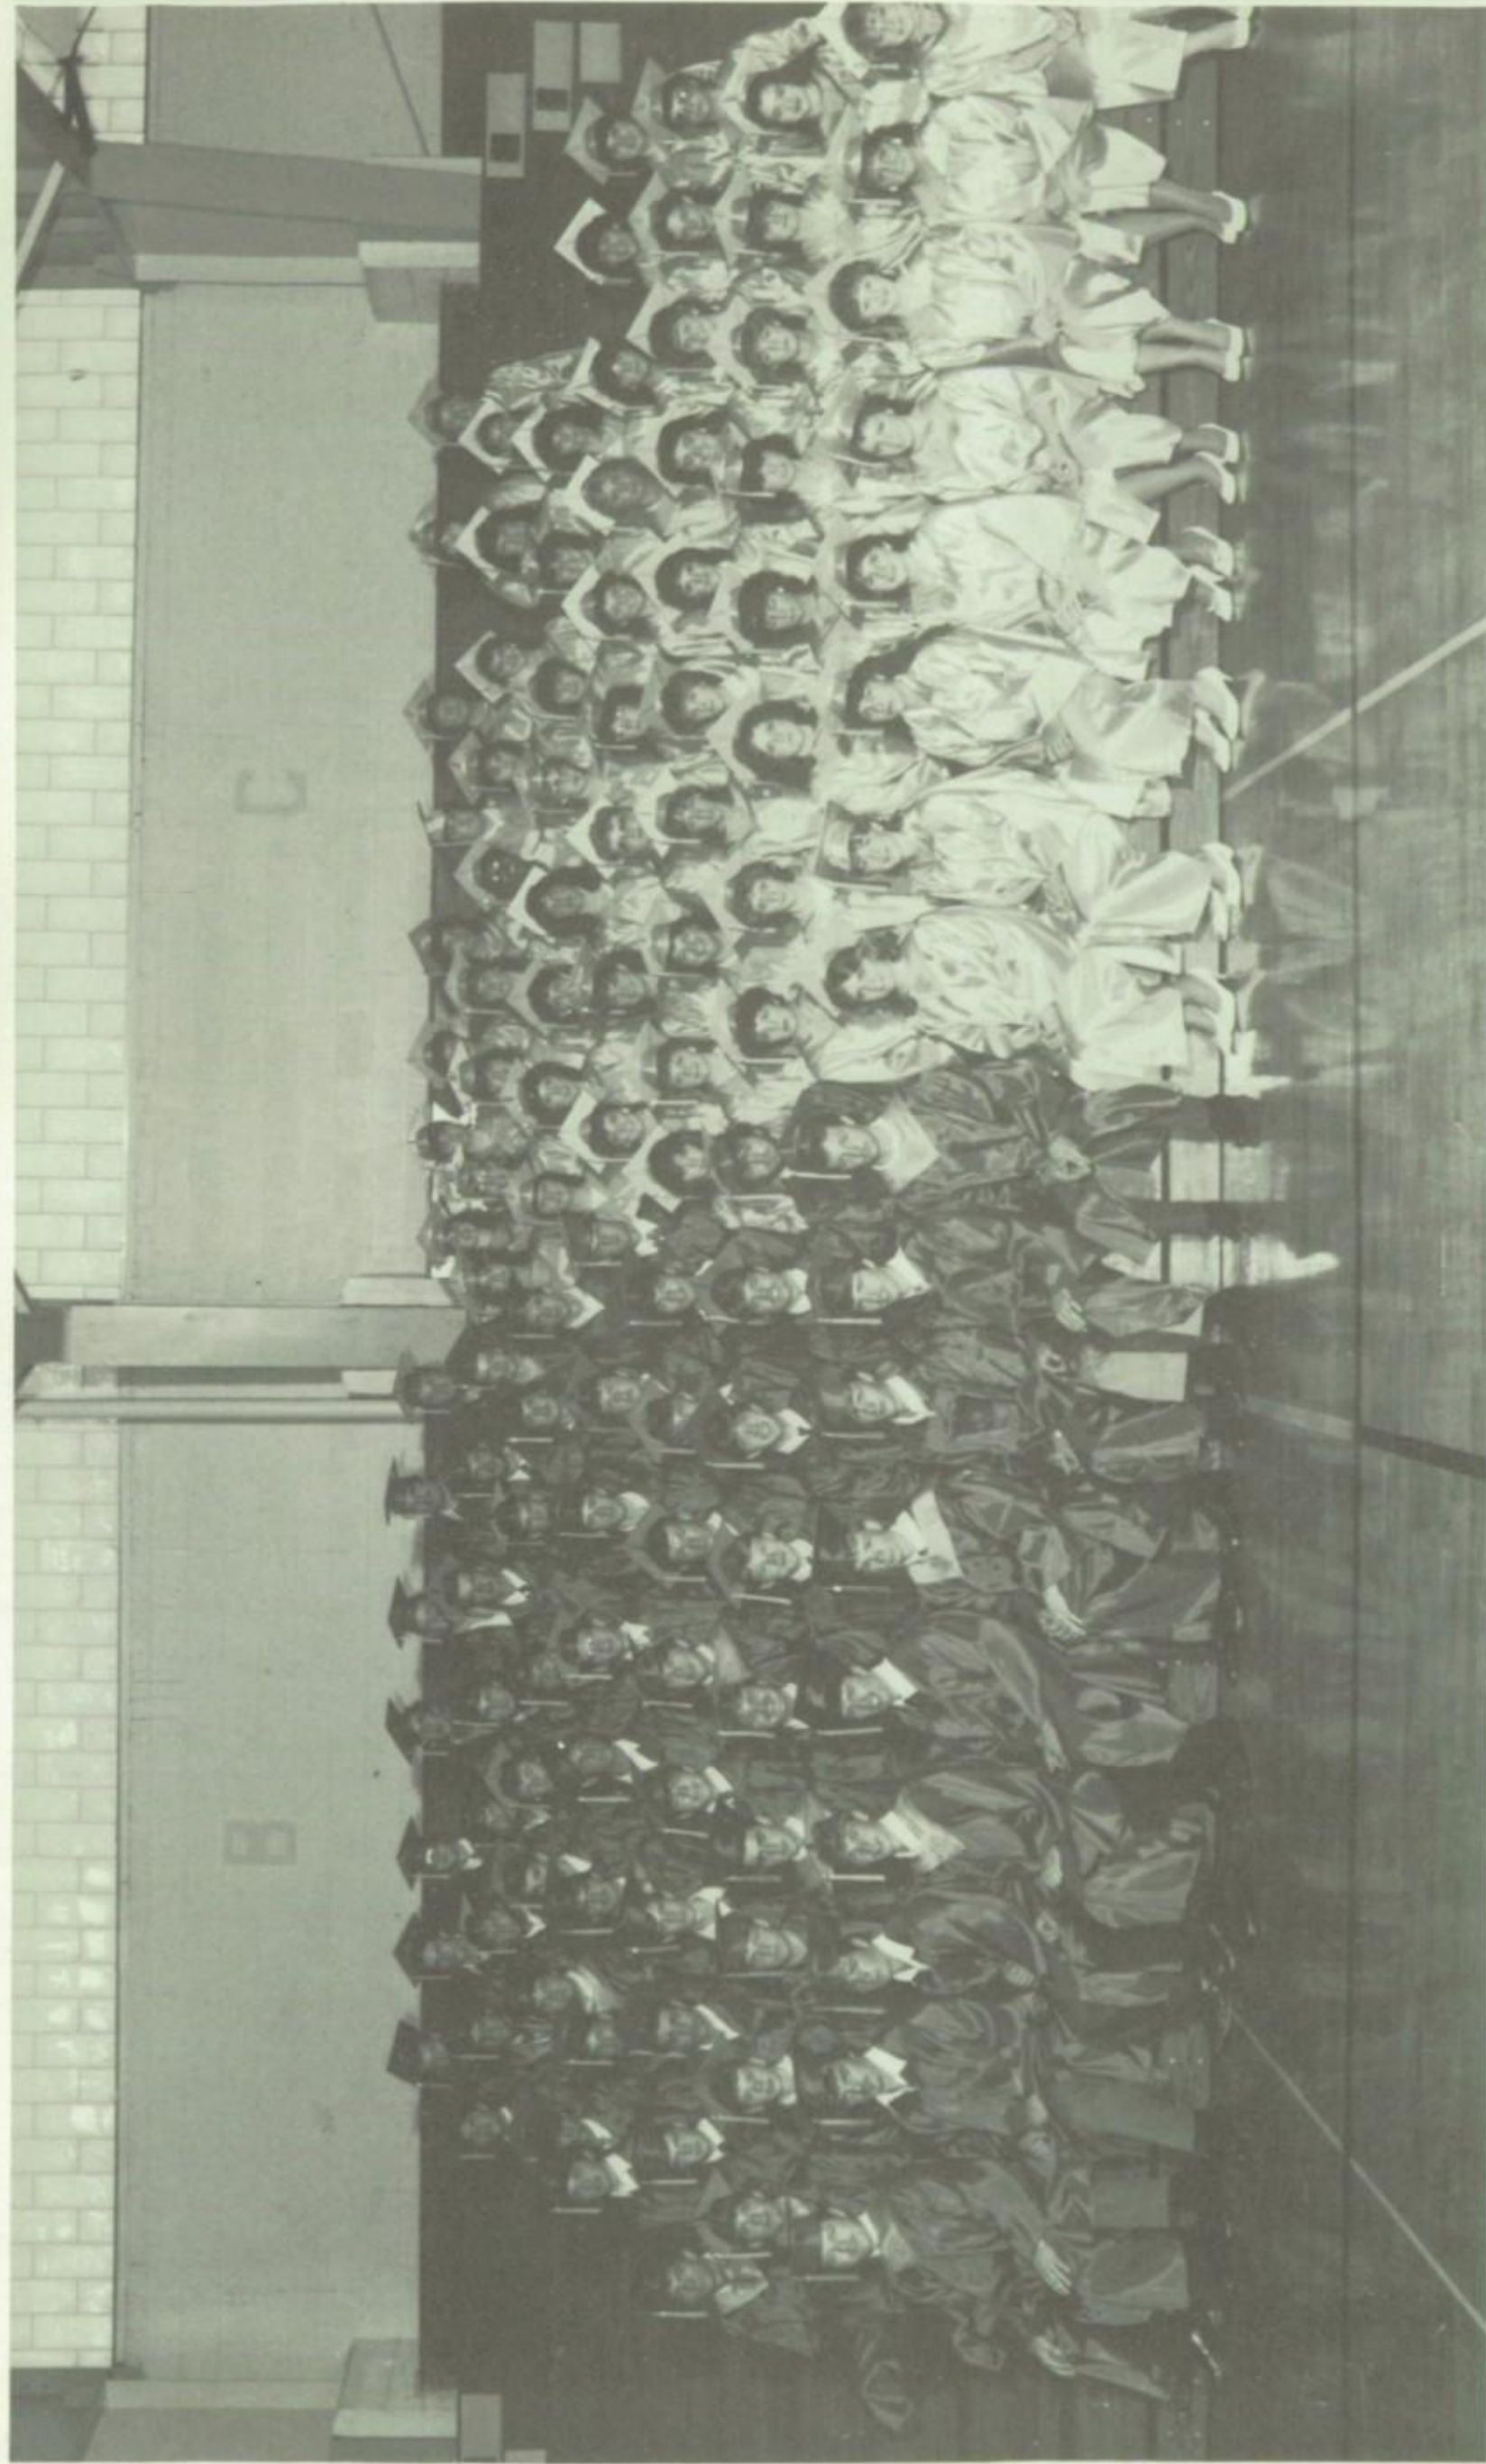

THEATRE WEST PRESENTS

MAY THE FARCE BE WITH YOU

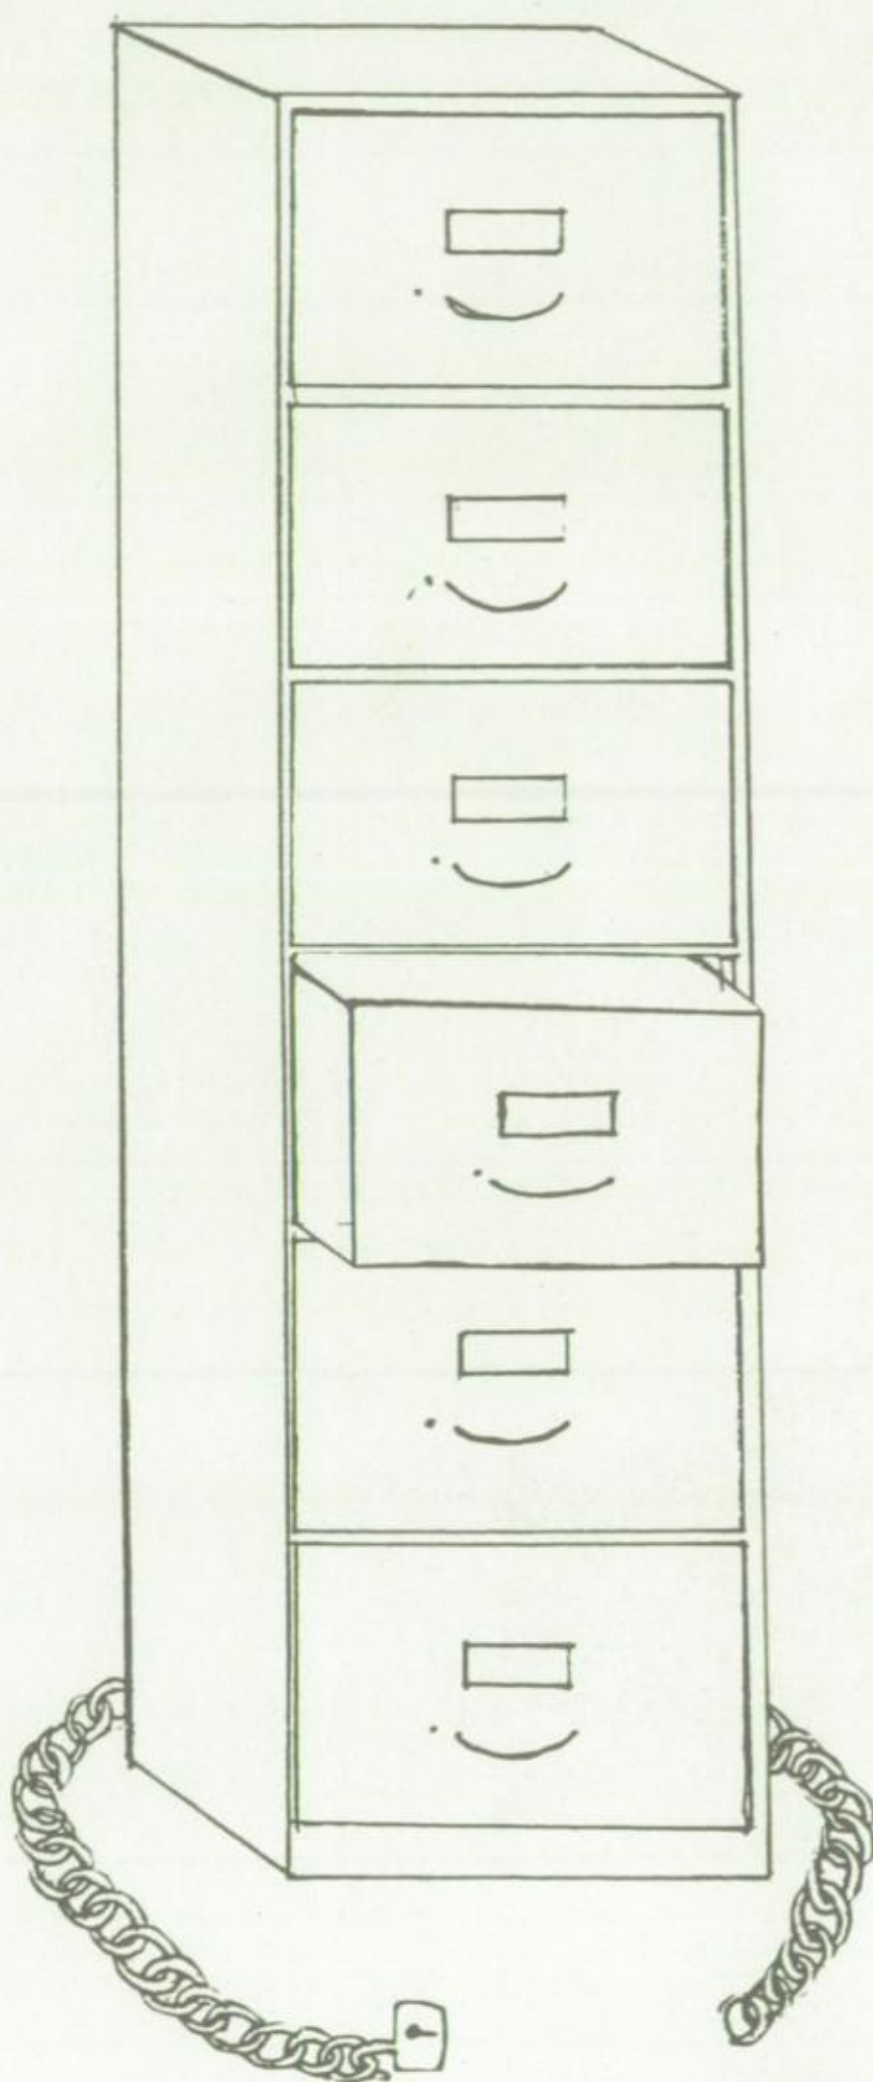

On May 17 and 18 Theatre West presented the comedy **May the Farce Be with You**. The Elite Idealistic Earth Individuals Organization, commonly known as the E.I.E.I.O., is having their annual conference at O. MacDonald's Farm, a health spa in New Mexico. The kitchen staff has disappeared, so Miss Broom hires a new Staff. Unfortunately, it turns out that Miss Broom and her staff are evil villains from the planet Inferna, and they want to rule the world! The chef has prepared a serum that, when eaten by the E.I.E.I.O. in their civilian clothing, will rob them of their ability to change into their super-hero costumes. Fortunately for the E.I.E.I.O., there are super brain and Wizard Woman, two non-member super-heroes. With the help of the Supermaids, regular maids who ate the same serum as the E.I.E.I.O., the E.I.E.I.O. is released and given something to eat to reverse the effects of the serum. The villains are captured and locked in their flying saucer. The members of the cast were: Brilla - Lisa Martin, Sparkle - Kelli Poff, Gleama - Anna Blankenship, Byron - Tim Lively, Terry - Gwyn Brenneman, Vera - Charli Allen, Miss MacDonald - Janice Mullins, Miss Broom - Terri Rice, Star Raider - Mike Wallace, Nerd - Tonya Sears, Yurd - Tina Altizer; KP3 - Scott Thompson, Acrobat Woman - Michelle Wicks, Albatross - Tracie Bowles, Astarte - Brenda McClung, Tape Woman - Lori Chapman, Miss Inviso wrap - Nickie Holland, Electroman - Shannon Wallace, H2O Girl - Cheryl Capaldo, Keexie Lisp - Amber Waselchalk, Lt. Bullhorn - Paula Blankenship, Frenchie - Lisa Cook, Mr. Onaze - Jim McKenzie, Shorty Orders - Neal Harmon, May-Heli Savela, Pat - Laura Diggs. Special appearance by John Fitzwater as Gadzooks. Directed by Mr. Daniel Boone. Sound by Joe Harris and lights by Tammy Turner.

1985 Football Wrap-up

The first game of the season found the Cavaliers at Oak Hill to take on the Red Devils. It was a close, hard fought game with the Red Devils taking a 16-0 victory.

On September 6, the Cavaliers traveled to Richwood to take on the Lumberjacks in the second game and emerged with their first victory of the season, 8-6 over the Jacks.

On September 13, the Pocahontas Warriors visited Cavalier field with high hopes of a victory. However, after a game completely dominated by the Cavaliers, the scoreboard read 41-21 in the Cav's favor. Mike Hood picked up 223 yards to lead the Cav's and earn player of the week honors.

On September 20, the Cav's traveled to Coal City to take on the 6th ranked Independence Patriots. It was a tough defensive struggle with the Cav's coming out on top by a score of 6-0.

On September 27, the Ceredo-Kenova Wonderers came to Charmco and were handed a 28-14 defeat.

On October 4, 1985 the Cav's traveled to Hinton to take on the Bobcats. The game was a typical West, Hinton game with the Cavaliers coming away with a 13-7 win.

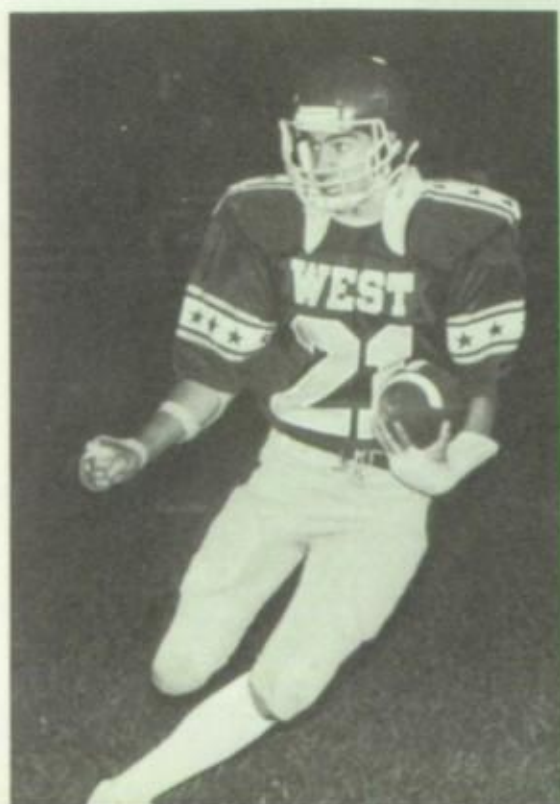

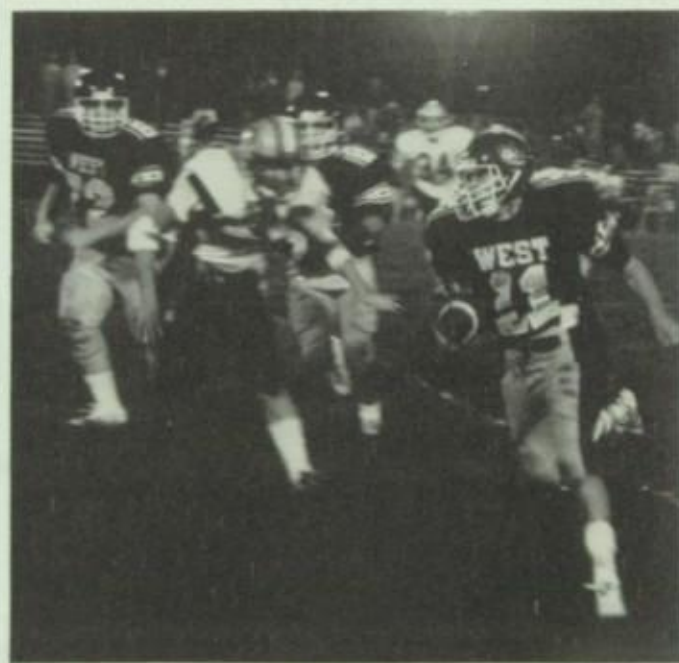

On October 11, the Webster County Highlanders traveled to Charmco and ended West's 5 game winning streak taking a 14-7 victory.

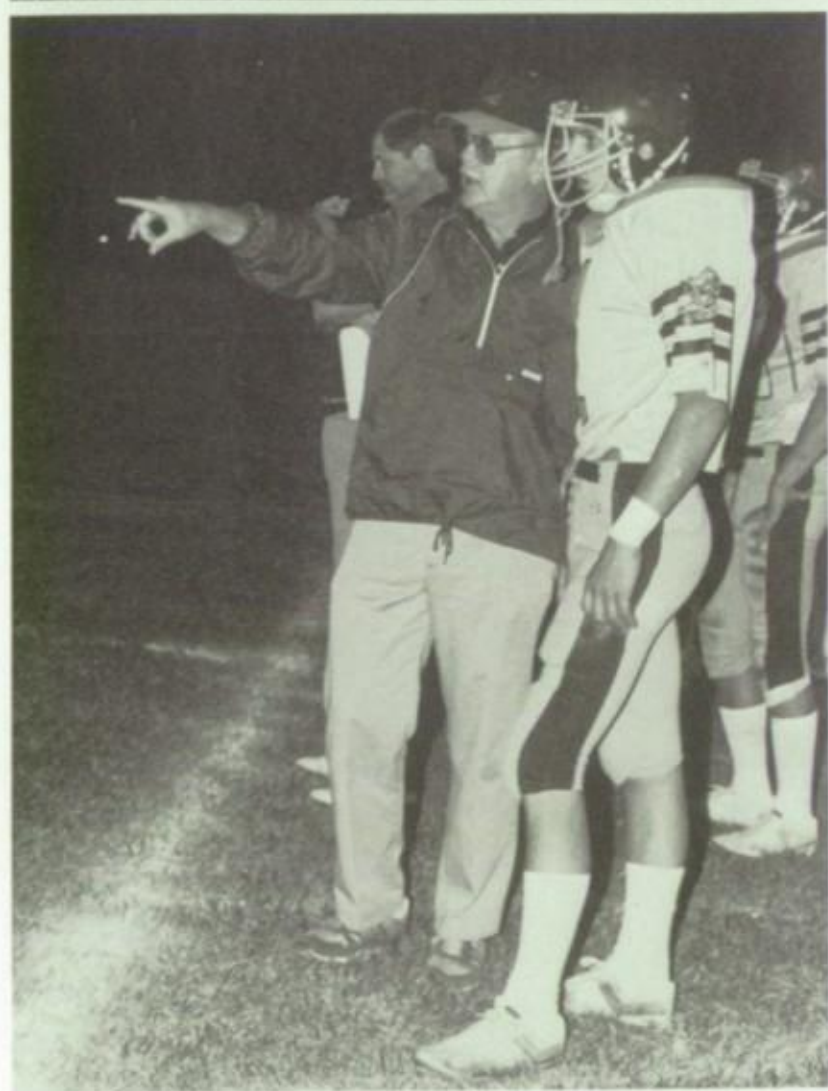

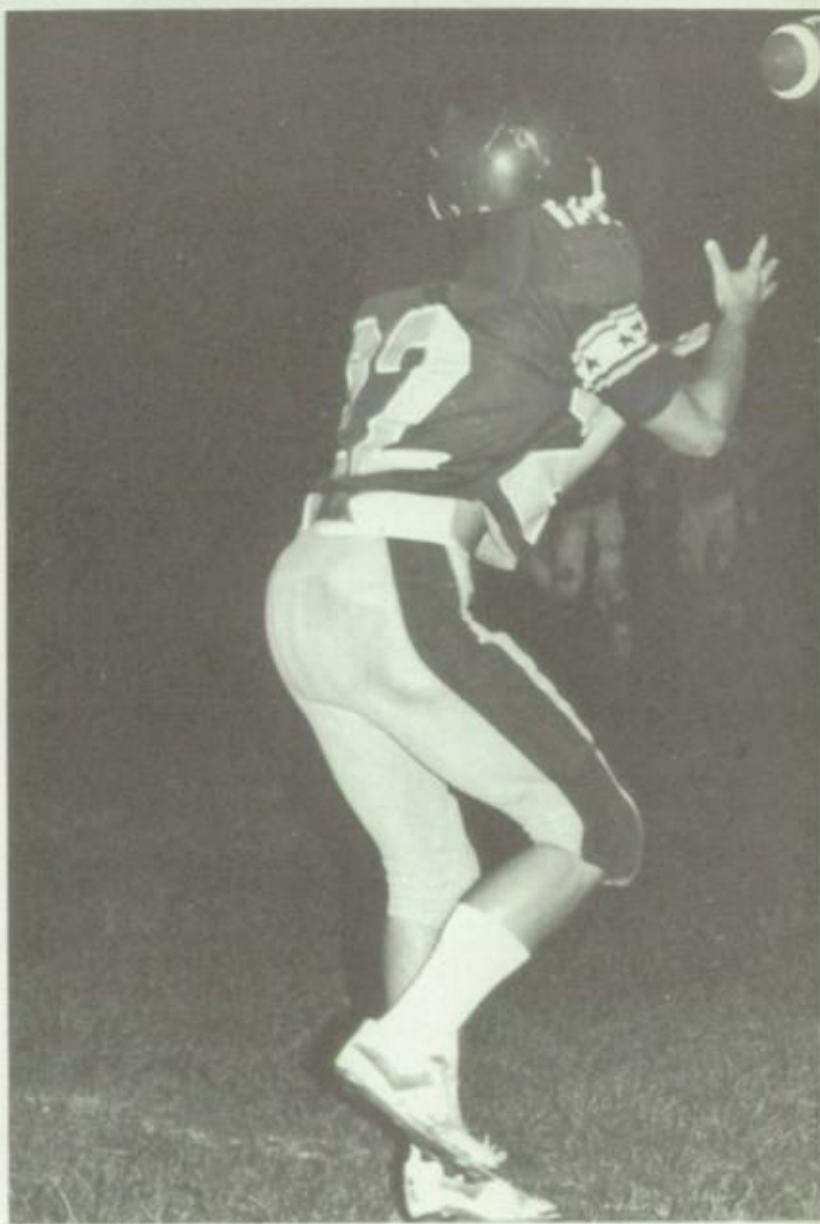

On October 18, the Cav's found themselves at Fairlea to take on cross-country rivals Greenbrier East, Spartans who were the #1 ranked class AAA team were not very gracious hosts as they handed the Cavaliers a 53-0 defeat.

On October 25, the Nicholas County Grizzlies traveled to Charmco and handed the Cavs a third straight loss by a score of 16-14.

On November 1, the Cavaliers traveled to Ravenswood to end the season. At stake for the Cavaliers was a winning season. The Cavaliers came out after trailing 7-0 at halftime and completely dominated the second half of the game with a 12-7 victory, over Ravenswood in the first meeting of the two schools.

Mike Hood was the leading ground gainer picking up 811 yds. on 147 attempts for an average of 5.5 yds. David Harris was second with 342 yds. on 52 attempts for a 6.5 average. Followed by Eddie Shue with 286 yds, Steve McQuain with 129, Joey Jennings completed 29 of 58 attempts for 488 yds., 7 touchdowns, and was intercepted 8 times. Darrell Rudd lead in receiving with 8 catches for 183 and 3 touchdowns, David Harris was next with 6 catches for 66 yds, and 2 touchdowns. Mike Hood and Steve McQuain caught 4 passes each for 51 and 36 yds. respectively. Eddie Shue caught 3 for 77 yds Joe Robertson caught 2 for 27 yards and 1 touchdown. Doug Franklin pulled in 1 pass for 30 yards and 1 touchdown. Billy Osborne caught 1 for 18 yds. The 1985 Cavaliers finished the season with a 6-4 record. This years seniors finished with a 22-9 record over the past three years for a very respectable .709 winning percentage. Mike Hood lead the scoring for the Cav's with 58 points, Eddie Shue and Darrell Rudd had 18, David Harris had 12, Joey Jennings and Doug Franklin added 8 each, Todd Morgan had 7 and Joe Robertson added 6.

LADY CAVALIERS

Mr. Sawyers, Tammy Montgomery, Becky Worrell, Tammy Breshenhan, Michelle Surbaugh, Gina Osborne, Lee Ann Workman, Corinna Young, Marty Isaacs.

The Lady Cavaliers completed their season by participating in the state tournament played at the Civic Center in Charleston. Gary Sawyers coached the Lady Cav's to a record of 19 wins and 3 losses. In the sectionals the Lady Cav's locked out the Lady Warriors from Pocahontas County and then advanced to the regionals with a win over Webster County. In the Regional Tournament held at Greenbrier West High School, the Lady Cav's added to their wins by defeating the Shady Springs Tigers. The win over the Tigers advanced the team to a birth in the state tournament where they were victorious in the quarter-finals over West Preston. In the semi-final game the Lady Cav's were defeated by St. Marys. Seniors leaving the team are Tammy Montgomery, Michelle Surbaugh, Lee Ann Workman, and Corinna Young. Returning to the team next year will be Becky Worrell, Tammy Breshenhan, Marty Isaacs, and Gina Osborne.

BASKETBALL WRAP-UP

The 1985-86 Cavalier Basketball Team opened their season against the Red Devils at Oak Hill.

December 27-28 found the Cavaliers at Beckley participating in the WJLS Holiday Tournament. They fell to Oceana in the first round and to Oak Hill in the second round.

The Cavaliers finished the season with a record of 9 wins and 10 losses. They were second runner-up in the New River Valley Conference and runner-up in the Sectional Tournament.

Two of the Cavalier hoopmen were honored at the end of the season by being selected for special teams. Dewayne Brackenridge and Joey Jennings were chosen first team in AA COALFIELD ALL CONFERENCE TEAM selection. Dewayne was selected for the first team and Joey was selected for the second team on the NEW RIVER VALLEY CONFERENCE TEAM. On the CLASS AA ALL STATE TEAM, Dewayne was named to the first team and Joey received honorable mention.

Practice . . . Practice . . . Practice 1,2,3,4 - left-right-left-right-face-left-face. I am in the band not the drill team. Why is all of this necessary? It's so hot and school is out, it certainly would be nice to be anywhere other than on this practice field. Why is all of this necessary? Is it really worth it? YES! As a result of practice and hard work, the Cavalier Band, Flag Corps, and Major-ettes were very successful in the many competitions they entered. In the Greenbrier East Classic Competition the band placed second overall in their class. Majorettes - first, Flag Corps - second, Field Conductor - second, Drum Line - second, Horn Line - second in their respective classes. Next the Cavalier Band traveled to the West Virginia Classic Competition in which the band placed third overall in their class. Majorettes - first, Flag Corps - second, and Drum Line - second. Then they traveled to Virginia where they competed in the Covington Cavalcade of Bands. The Cavalier Band placed second overall in their class. Majorettes - first, Flag Corps - second, and the Best Woodwinds award went to the Greenbrier West Band. Finally the band traveled to James Madison Competition in which bands from four different states competed. The Greenbrier West Band placed fourth overall in their class consisting of twenty-three bands.

The Cavalier Majorettes won second place in the Greenbrier Valley Majorette Squads held at Greenbrier East High School. They attended Fred J. Miller Camp and won first place for corps routine. They received first place in their respective classes in the East Classic competition, West Virginia Classic competition, and the Covington Cavalcade of Bands. They won first place in the senior division for dance/twirl teams and the National Baton Twirling Association West Virginia State Champions 1985.

The Cavalier Silks attended Fred J. Miller Camp and won first place for corps routine. They received second place in their respective classes in the East Classic competition, West Virginia Classic competition, and the Covington Cavalcade of Bands.

Here we are, the class of 1986. It seems as though only yesterday we were beginning school, now the time has come for us to close this chapter of our lives and enter into the world. We have laughed, and we have cried, but we have succeeded. Our class has come a long way since 1973 the year most of us entered kindergarten. Since then, hundreds of people have walked into and out of our lives, touching us in one way or another, and we have grown through our many experiences. Yes, school has given us much, and most importantly, it has given us something no one will ever be able to take away — memories.

As we look back, we can all remember the fads that have come and gone during our school years. We will never forget things like the big comb or **Pac Man**. One of the biggest worries was who had the highest score on **Pac Man** or **Donkey Kong**. The plague of arcade games had infected everyone. Along about ninth grade, everyone started getting portable stereos. The little ones were called boom boxes, but the big ones, called ghetto blasters, that can break windows, were more popular.

Then everybody started getting preppy with the turned up collars on normal shirts, and we didn't see as many jeans. And among the "jocks" it became the "in thing" to wear your high top basketball shoes untied.

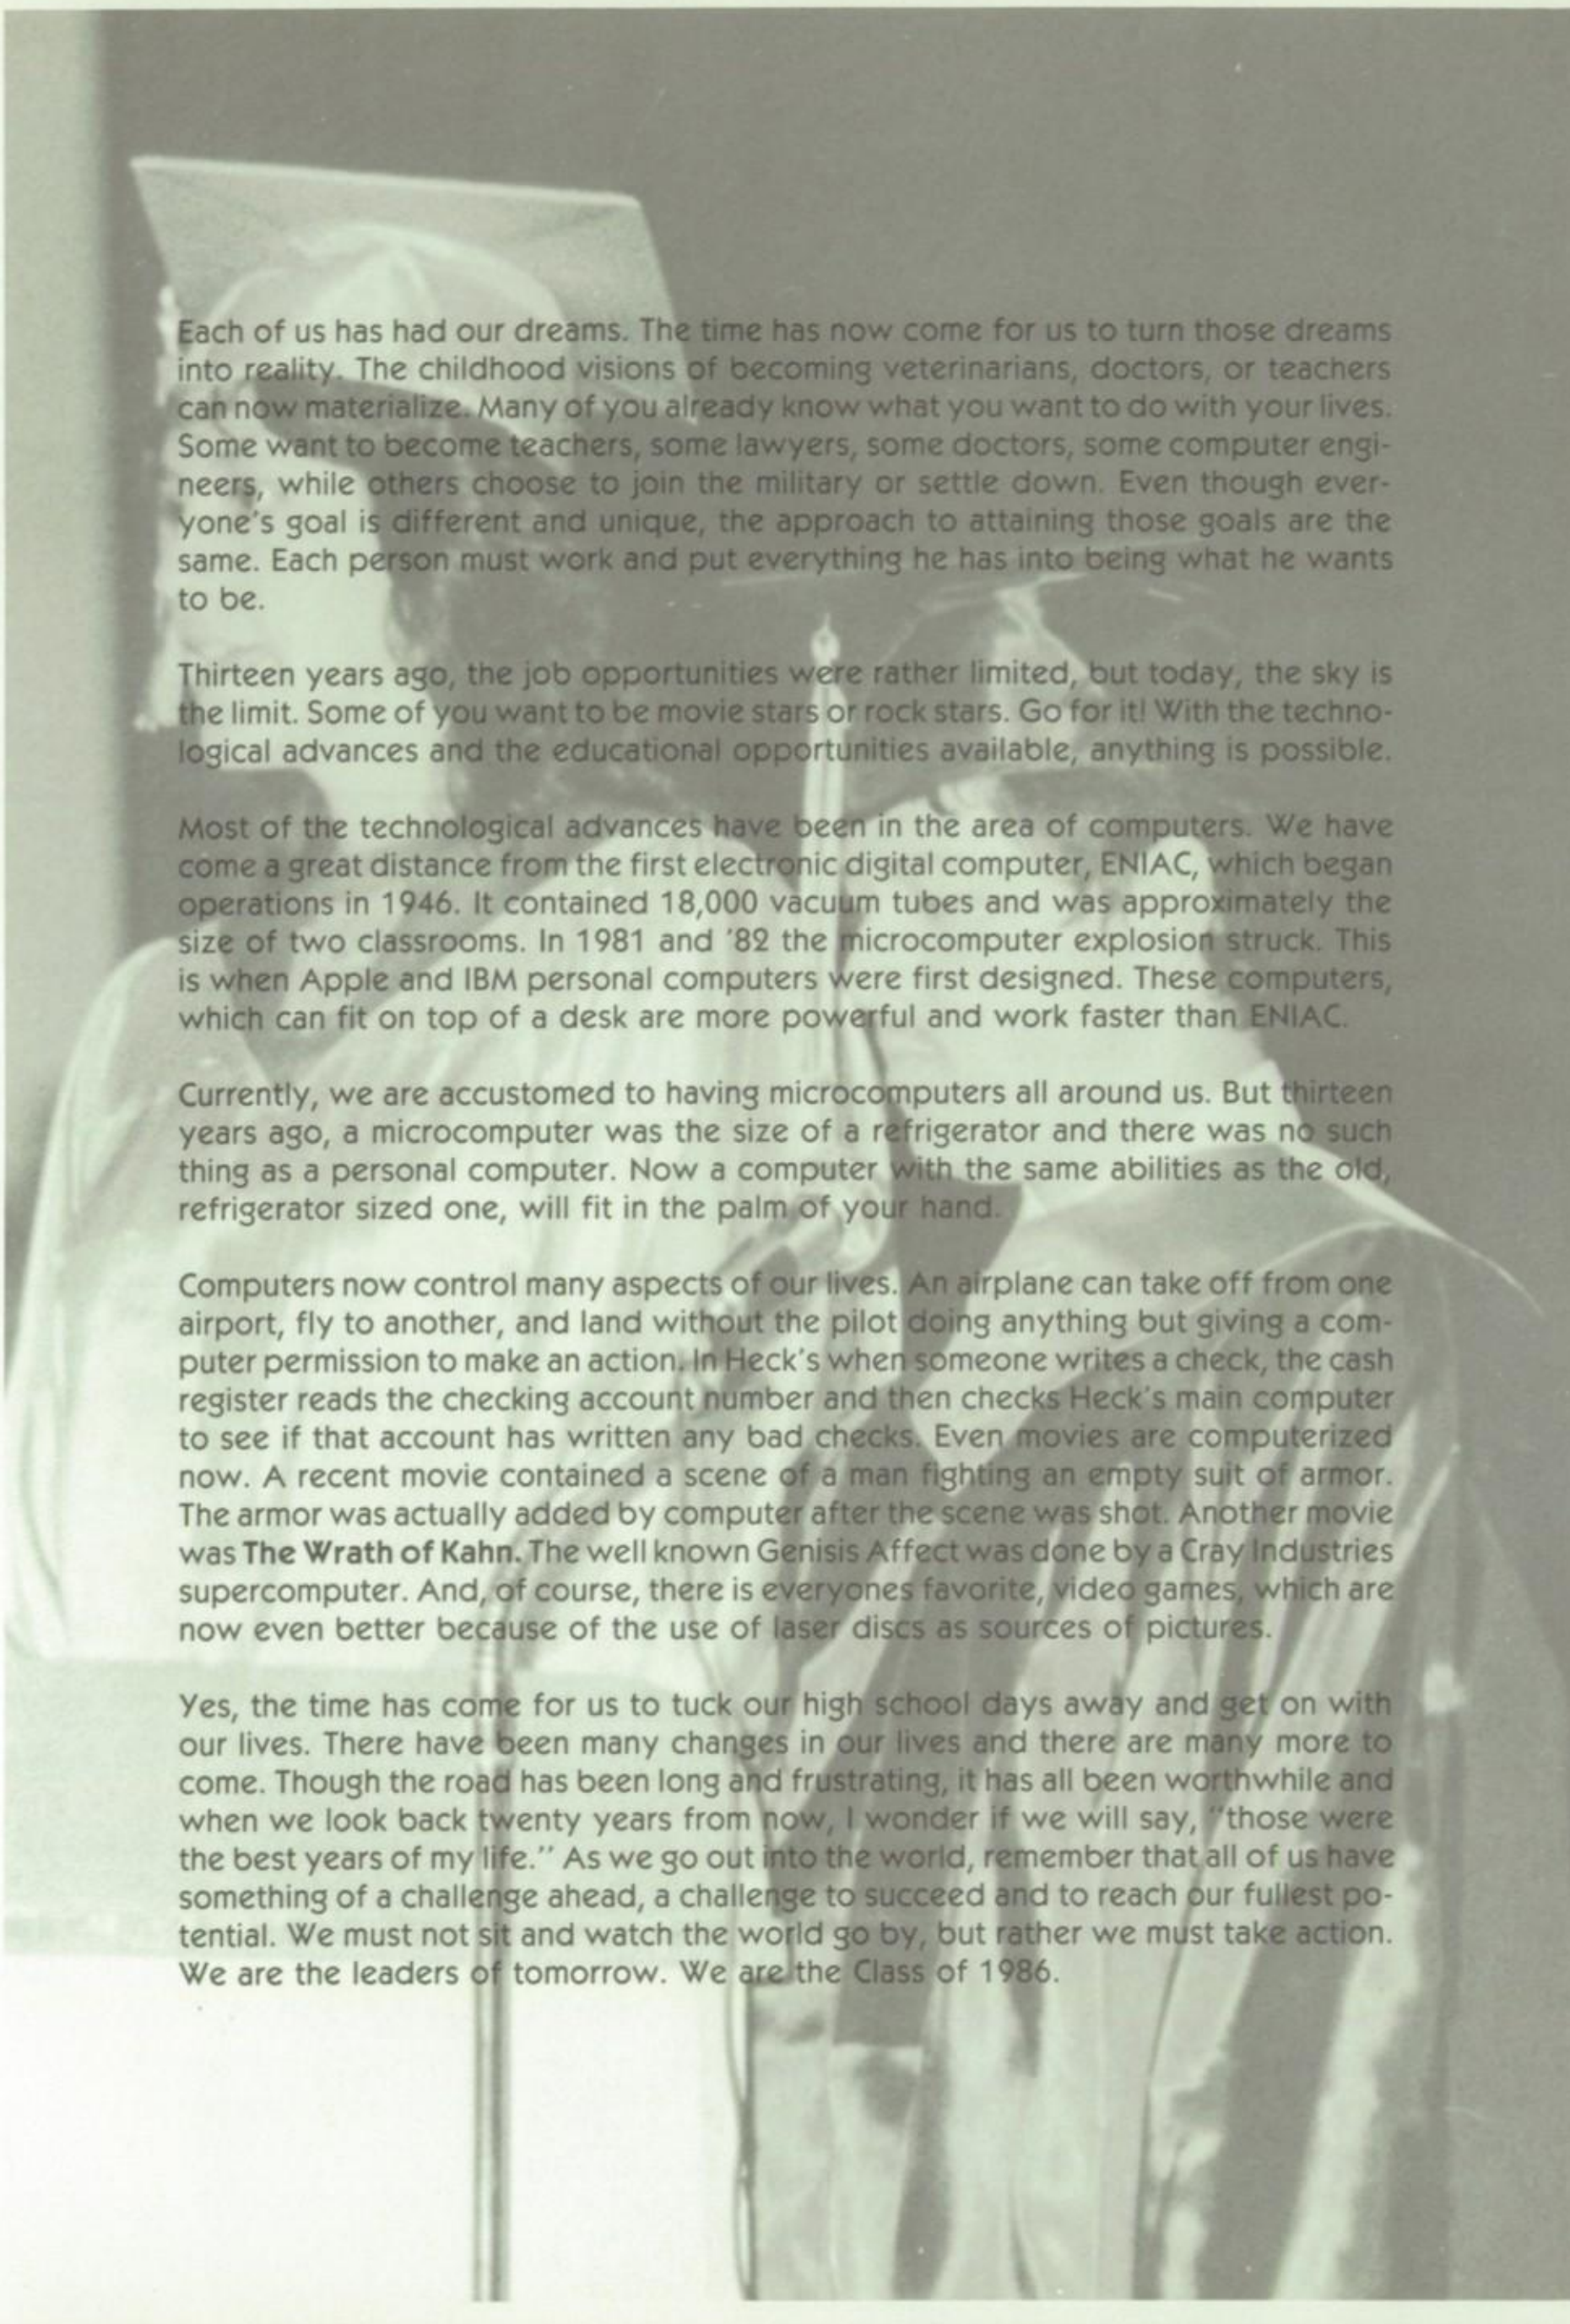

Now, we still have some of these fads, but we have more, even wilder ones. First, the mini skirt, the extra short skirts that some of our mothers and even our teachers wore in the late 60's are back. As if that's not enough, the Hawaiian shirts of the early '60's are back as well.

And now, how many of you just can't live without your videos? The biggest current fad has to be MTV and music videos.

Music has come a long way since we began school. We have heard rock, soft rock, hard rock, heavy metal rock, acid rock, punk rock, rock-a-billy; just about any type of rock there is, we have heard it. When we started school, music was rather calm, now we have Ozzy Osborne biting off bats' heads. We have all danced to the songs of Kool and the Gang, and "The Boss" will always be one of our favorites. These along with others like Madonna and Prince, have affected us on a personal basis. Additionally, there have been national events which have affected us as well.

Many events have occurred since we started school that have affected us in one way or another, the first of which I think of was Watergate, although we were too young to realize what was happening. Perhaps the first major event that affected us was the attempted assassination of President Reagan. I remember that my first reaction was disbelief and when I finally accepted that he had been shot and would live, I wanted Hinkley to get the worst punishment possible. Instead, he spent three years in a psychiatric ward. More recently there has been the methylisocyanide gas leak at the Union Carbide plant in Bhopal, India, which made most of the Kanawha Valley think about what would happen if Union Carbide's plant at Nitro had the same problems. The flooding last November and the loss of the seven Challenger astronauts, though, have probably affected us more than the events which occurred when we were younger.

Each of us has had our dreams. The time has now come for us to turn those dreams into reality. The childhood visions of becoming veterinarians, doctors, or teachers can now materialize. Many of you already know what you want to do with your lives. Some want to become teachers, some lawyers, some doctors, some computer engineers, while others choose to join the military or settle down. Even though everyone's goal is different and unique, the approach to attaining those goals are the same. Each person must work and put everything he has into being what he wants to be.

Thirteen years ago, the job opportunities were rather limited, but today, the sky is the limit. Some of you want to be movie stars or rock stars. Go for it! With the technological advances and the educational opportunities available, anything is possible.

Most of the technological advances have been in the area of computers. We have come a great distance from the first electronic digital computer, ENIAC, which began operations in 1946. It contained 18,000 vacuum tubes and was approximately the size of two classrooms. In 1981 and '82 the microcomputer explosion struck. This is when Apple and IBM personal computers were first designed. These computers, which can fit on top of a desk are more powerful and work faster than ENIAC.

Currently, we are accustomed to having microcomputers all around us. But thirteen years ago, a microcomputer was the size of a refrigerator and there was no such thing as a personal computer. Now a computer with the same abilities as the old, refrigerator sized one, will fit in the palm of your hand.

Computers now control many aspects of our lives. An airplane can take off from one airport, fly to another, and land without the pilot doing anything but giving a computer permission to make an action. In Heck's when someone writes a check, the cash register reads the checking account number and then checks Heck's main computer to see if that account has written any bad checks. Even movies are computerized now. A recent movie contained a scene of a man fighting an empty suit of armor. The armor was actually added by computer after the scene was shot. Another movie was **The Wrath of Kahn**. The well known Genesis Affect was done by a Cray Industries supercomputer. And, of course, there is everyone's favorite, video games, which are now even better because of the use of laser discs as sources of pictures.

Yes, the time has come for us to tuck our high school days away and get on with our lives. There have been many changes in our lives and there are many more to come. Though the road has been long and frustrating, it has all been worthwhile and when we look back twenty years from now, I wonder if we will say, "those were the best years of my life." As we go out into the world, remember that all of us have something of a challenge ahead, a challenge to succeed and to reach our fullest potential. We must not sit and watch the world go by, but rather we must take action. We are the leaders of tomorrow. We are the Class of 1986.

Graduation

The long awaited time has arrived. The first strains of the processional fill the gymnasium. Our junior marshals take the first step and we begin a walk anticipated for many years.

During the last minutes of my life as a high school student I look around me and I see happy faces of family, friends, teachers, members of the Board of Education and a former graduate, Gilmer Rodgers, who is going to deliver our Commencement Address.

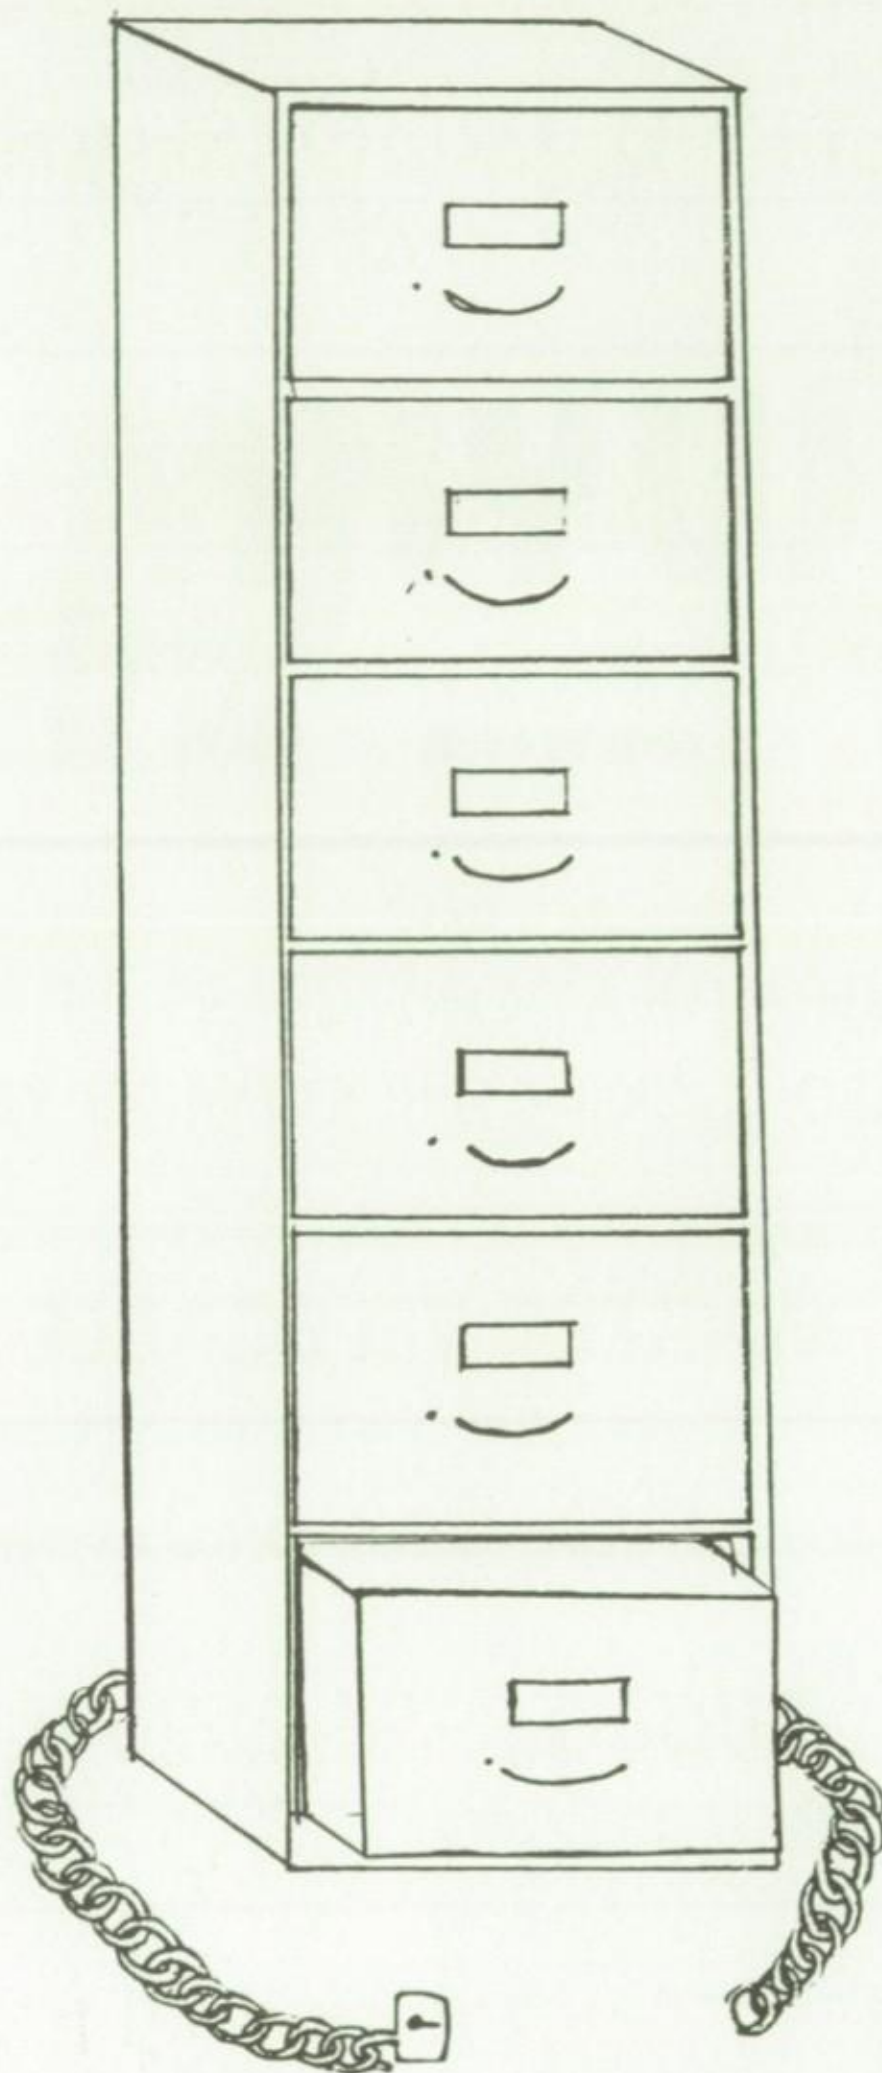

Gilmer Rodgers

My name is called, I walk to the center of the stage.
With a handshake I receive my long awaited diploma.
I accept it and return to my seat. Graduation -
at last it has arrived.

Westvāco forests are more than just trees . . .

They are trees, of course, and they're mosses and mushrooms and grasses and shrubs – bugs and frogs and birds and bears – roads and streams and soil and they're PEOPLE, hikers, berry pickers, fishermen, ramp diggers, trappers, hunters, and folks "just driving through."

In Westvāco forests *Multiple Use Management* is a way of living - of maintaining and increasing the forest's miraculous diversity. *Wise use* provides for people; users and managers. MAN IS PART OF A MANAGED FOREST ENVIRONMENT . . . managing man's impact smooths out the booms and busts of Nature and helps keep a balanced mix of plants and "critters". To do that . . .

WE PLAN —

Timber harvests for products and jobs • Road construction for work and recreation • Soil and water protection • Wildlife food and cover

WE MANAGE —

Location, size and timing of harvests • Recreation by issuing permits for hunting, trapping, and fishing by supporting game laws and controlling road use • by protecting the forest from fire and disease

WE COOPERATE —

With government, sportsmen, conservation groups, and YOU. 20,000 acres of Westvāco forests are in public use programs, thousands of acres and hundreds of miles of roads and streams are used by our neighbors.

RESPECT for our property, for other users and the forest environment is what we ask in return.

We have attempted to file away some memories from the '85-'86 school year. All of our files have been opened to the public for display. You have read and laughed over the memories in the file cabinet drawer that interested you the most. Now it is time for us to discard these files. We must make space in the filing cabinet for the memories to come. New friends, new ideas, new "criminals" to catch, that is what the memory filing cabinet is for.
